

January 18, 2023

We're excited to announce that the First National Bank of Sedan will now be Elevate Bank. We're getting a whole new look and feel! But we're doing more than just rebranding – we're going to elevate our services and financial solutions so we can better support our customers.

Because our customers are our number one priority, we're investing in technologies to take us into the next 100 years! A new website ([www.elevate.bank](http://www.elevate.bank)) will be launching on January 23, and with it, a new online banking experience to better serve your needs wherever and whenever you want to access your accounts. **Your checking, savings account, ACH, and routing numbers will not change.** In addition, new mobile apps will be available soon in the App Store for iPhone/iPad and Google Play for Android.

Your Online Banking login username will remain the same, provided it does not exceed 15 characters. If exceeding 15 characters, it will be the first 15 characters of your current username. Your initial password will be the last six digits of your social security number. You will then select your preference for receiving a security access code to confirm your access and create a new password. To facilitate the transition, Online Banking will be unavailable from 5 pm on January 20th until 6 am on January 23rd.

While our name and branding are changing, rest assured, we're still the same people from your community that have supported all your banking and financial needs. At Elevate, we apply a personalized approach to your unique financial goals. Because that's what you should expect from your banking partner. We're here, ready to serve you. If you have questions regarding the upgrade, call 620-725-3106, or visit us – our locations and hours of operation remain the same:

**Kansas Location**
